Price \$2.00

National Indoor Track & Field Championships

MUNICIPAL AUDITORIUM, KANSAS CITY, MISSOURI, FEBRUARY 21-22, 1986

Welcome . . .

The 1986 NAIA Indoor Track and Field Championship Meet (Men and Women) is the largest indoor collegiate event to take place this year. With over 700 athletes participating, the excitement of competition is endless.

The NAIA is very grateful to the civic-minded Kansas City business firms, whose sponsorship and support provide much of the financial underwriting that makes an event such as this possible. A special thanks to Alex George, Earl Smith, and the Greater Kansas City Sports Commission, and Pat Tierney and the Greater Kansas City Area Convention and Visitors Bureau for their continued support and dedication. Accutrack and the Harry Gill Company have been major equipment suppliers of this meet for several years and training room supplies and services are rendered courtesy of Cramer Products, Johnson and Johnson, and the Arch Billmire Company.

Kelly Rankin, the meet's head starter, and Charlie Ruter, the announcer, both served as officials at the 1984 Olympic Games in Los Angeles. Ruter and several NAIA coaches serve in important committee posts with the national governing body for track and field, The Athletic Congress.

A large track and field meet requires dozens of competent officials. The very success of this meet depends on the effective work of timers, starters, judges, and announcers. The expertise of Accutrack operators and readers, and other specialists that bring this meet together, merits our appreciation and recognition.

Very special thanks and appreciation is given to Wally Schwartz, the meet creator and director, for his many hours of hard work and patience. He is supported by a strong office staff and Games Committee, comprised of leading coaches in the NAIA/Track & Field Coaches Association.

Last but not least, we offer our gratitude to the spectators who follow these young men and women whose outstanding performances have qualified them for this national event. Congratulations to all who qualified to participate. May this competition be a mountain-top experience in your lives.

HARRY FRITZ
NAIA
EXECUTIVE DIRECTOR

William Jordan, Division Chair for Physical Education at Black Hills State College, Spearfish, South Dakota, is representing the NAIA National Executive Committee for the National championship indoor track and field program.

All NAIA championship meets, games and tournaments are under the direct supervision and control of the National Executive Committee.

The 11-person National Executive Committee is the governing body elected by the membership of NAIA at the Annual Meeting of the organization. The Executive Committee hires the Executive Director, who conducts the business of the organization from National headquarters in Kansas City, Missouri.

Mary Nutter, head volleyball and softball coach at Pittsburg State University, Pittsburg, Kansas, is serving as president of the NAIA Coaches Association for 1985-86. Nutter is past-president of the NAIA Softball Coaches Association.

A subsidiary of the NAIA, the NAIA Coaches Association is the largest organization of college coaches in the world with over 3,700 active members. The association is charged with the responsibility of carrying on a program of intercollegiate athletics beneficial to the member coaches of the organization.

For the 11th consecutive year, Charlie Ruter is the Official Announcer for the NAIA National Indoor Track & Field Championships. For the past four years he has been serving as the Administrator for the U.S. Olympic Officials Selection Committee and worked the 1984 Olympic Games in Los Angeles.

Ruter is a retired Assistant Superintendent of the Jefferson County public schools in Kentucky. In his role as administrator his travels have taken him to all 50 states plus considerable overseas travel. He has officiated at the 1984 Millrose Games, the Mason-Dixon Games in Louisville, Ky., the Rosemont Indoor Games in Chicago and is involved in most national indoor track & field meets across the country.

In 1983, Charlie was inducted into the NAIA Track and Field Hall of Fame and also that year was the recipient of the "Outstanding Officials Award". In 1981 he received the President's Award for his outstanding contribution to the sport of track and field.

Kelly Rankin is in his 14th year as the Official Starter for the NAIA National Indoor Track & Field Championships and has served in the same capacity for 13 years at the NAIA National Outdoor Track & Field Championships.

Rankin is the supervisor of Health, Physical Education and Athletics for the public school system in Vancouver, Washington. Before assuming this position Kelly was an assistant professor of physical education at the University of Oregon and a member of the Health and Physical Education Department at the University of Kansas.

The Kansas native has 20 years of starting experience which includes State high school championships in Kansas and Oregon; the Big 8 Indoor Championships; the Kansas Relays; the 1976 and 1980 Olympic Trials, the 1979 and 1981 National Sports Festivals, and most recently, was one of the starters in the 1984 Olympic Games in Los Angeles.

Jerry Reichart of Topeka, Kansas and Ken Graber of Pretty Prairie, Kansas will be acting as assistant starters. This will be Reichart's tenth year while Graber is working his seventh NAIA National Indoor Championship.

All your checking account money earns interest *and* the higher
your balance, the higher the interest rate paid!

THE
PERFORMANCE
A C C O U N T

The only account you may ever need.

This all-in-one account makes savings easy and checking simple. Ask your United Missouri Personal Banker to show you how the rate rises as your balance increases.

This single account for checking and savings also has one consolidated monthly statement for all the information about your checks and interest. And, you are FDIC insured.

The Performance Account also offers 24-hour banking convenience through Ultra automatic teller machines or through thousands of PLUS SYSTEM® ATMs in the USA and Canada.

See your United Missouri Personal Banker for complete details on The Performance Account. The only account you may ever need.

*Owned by Plus System, Inc.

First Choice of Champions.

Since 1918, products from The Gill Company have been helping athletes make and break more records than any other track and field equipment. You'll see the Gill name on more than 200 official items. And, more importantly, you'll find our name stands for quality.

Because at Gill, we build more than shots, discus, hurdles, poles and pits. We build winners.

For more information call toll free 1-800-637-3090 (In Illinois call collect 1-217-367-8438), or write: The Gill Company, 201 Courtesy Road, Urbana, Illinois 61801.

Records are made and broken with Gill.

Introducing Wang's Advanced PC. For businesspeople who are hungry for power.

It's the Wang Advanced PC.

It's more powerful than the IBM AT. In fact, it's the most powerful PC Wang has ever made.

It has the power to run all Wang PC and most IBM PC, XT and AT compatible software faster than ever before.

It can even run applications simultaneously on up to four workstations.

So come see the Wang APC today. And satisfy your craving for power.

WANG

And the winner is

**ACCUTRACK IS USED
BY EVERY MAJOR
TRACK MEET IN
THE U.S.A.**

With Accutrack Model 102A, every race is a photo finish. Because, that's our special feature. The electronic clock in the Accutrack camera is started automatically by a switch tied in with the system at the starter's gun.

As the gun is fired to start the race, an electrical signal is coupled from the gun to activate the clock in the camera position at the finish line. When the lead runner nears the finish line, an infra-red light beam is broken activating the camera filming action.

**OUR PICTURE
IS WORTH
1/100th OF A SECOND!**

The winner's photo finish and official electronic time are automatically recorded on Polaroid film. The other runners are also recorded on the same film in a similar way.

After the race, the judges are provided with one photograph showing the runners in finishing order with their respective electronic times accurate to 1/100th of a second displayed right on the film.

Accutrack is currently being used by such athletic associations as NCAA,

NAIA, NJCAA, AIAW, TFA/USA, TAC ... just to name a few. In fact, Accutrack meets all IAAF automatic equipment requirements for certification of world records.

If you want the best in track timing and photofinishing, get ACCUTRACK.

The long, soft road.

The road has a concrete way of making its presence felt. For those of you who would like to significantly soften the blows, we strongly recommend the New Balance 470.

The 470 is the latest in a category of New Balance training shoes noted for their cushioning properties.

What gives the 470 its unique cushioned feel is a midsole/wedge made of newly developed *highly visco elastic* EVA—a material that provides exceptional spring and bounce. Built into the heel of the shoe is a horse-shoe made of firmer EVA. This design allows your heel to seat itself more securely.

And to make sure that the 470 provides countless miles of running satisfaction, we've employed a counter reinforcer to prevent rear shoe breakdown and a long-wearing carbon rubber outersole.

So before you take on the long, hard road again, do yourself a favor. Put on a pair of 470's.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering programs of intercollegiate athletics at over 500 fully-accredited colleges and universities of moderate enrollment. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities and organizational structure of the Association.

HISTORY AND PURPOSE

Established in 1940 as the National Association of Intercollegiate Basketball (NAIB), the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937 in Kansas City, Missouri. The conversion of the NAIB to the NAIA came in 1952 when the organization expanded beyond basketball and added national championship events in golf, outdoor track and field and tennis. Football, cross country, baseball and swimming were added to the championship event calendar in 1956, and wrestling (1958), soccer (1959), bowling (1962-78), gymnastics (1964), indoor track and field (1966), ice hockey (1968) and volleyball (1969-1980) were later additions.

Of major significance to the NAIA, was the establishment of the women's division within the Association on August 1, 1980. The NAIA decision to offer competitive opportunities and championships in women's athletics was passed by the membership following two years of study and proposals by an ad hoc committee on the implementation of a women's division into the NAIA structure. Currently, the Association conducts ten championship event programs for women in the sports of

basketball, cross country, gymnastics, indoor track and field, outdoor track and field, softball (fast pitch), soccer, swimming, tennis and volleyball.

The initial purpose of the NAIA — to provide national championship athletic opportunities to institutions below the so-called "major" level — has indeed been well served. The Association clearly outlines its own responsibilities and those of its members: a sound athletics program, administered and controlled by those responsible for the administration of the institution. This means direct supervision in caliber of competition, financing of the program and taking steps to assure that financial assistance is made available only through the institution and under the same general policies as aid to all students. In short, the basic premise is that the athletics program is a basic component of the overall educational process and not an entity part.

ADMINISTRATION

The governing body of the NAIA is the National Executive Committee, composed of 10 persons elected by the membership. The Executive Committee is responsible for establishing the policies and determining the overall direction of the Association. The Executive Committee hires the Executive Director, who conducts the business and day-to-day operation of the National Office headquartered in Kansas City, Missouri.

The District is the basic unit of the NAIA. The Association is organized into 31 geographical districts spread over the 50 states and a part of Canada. Each District is governed by a District Executive Committee, the chief officer of which is the District Chair. The District Executive Committee establishes a program of championship events in

various sports and individual/team champions of those district events are qualified to compete in NAIA Area and National Championship competition.

Eligibility rules within the NAIA govern all play in all sports recognized by the Association, not just post-season play. All eligibility guidelines must be adhered to by all members, including those holding dual affiliation with other associations. Certification of eligibility of all NAIA student/athletes is accomplished through a network of individuals which includes the faculty athletic representative of each institution, the District Eligibility Chair and the National Eligibility Committee.

MEMBERSHIP

Any four-year college or university and upper level two-year institution in the United States and Canada which awards the bachelor's degree or equivalent, may hold active NAIA membership. Active member institutions must be fully accredited by an appropriate accrediting agency or commission.

OBLIGATION OF MEMBERSHIP

Member institutions must conduct their intercollegiate athletic programs with the standards of the regulatory Associations in which they hold membership, and the NAIA. They must pay their annual membership dues and be in support of the policies of the NAIA. Where institutional rules and standards are stricter than those of the regulatory group or the NAIA, those rules and standards of the institution are recognized and supported by the NAIA.

ATHLETICS — EDUCATION FOR LEADERSHIP, CHARACTER, CITIZENSHIP

1987 TRACK YOUR BEST SPORTS BUY IS NOW EVEN BETTER!

The 1987 NAIA National Indoor Track and Field Championships will be held on February 27-28, here in the Auditorium. Hundreds of track fans now enjoy the "NAIA PROTECTED SEAT LOCATION PLAN" and we are now making this available to all Kansas City track fans.

Here's how it works:

You contact the NAIA and request that we protect a particular location for you by Section, Row and Number of seats.

The NAIA will then notify you in December reminding you of your protected seats. You would have one (1) month to purchase the seats by mail or let them go unprotected.

The PROTECTED SEAT PLAN requires purchase of same tickets for all nights but you RECEIVE TWO NIGHTS OF TICKETS FOR A GREATLY REDUCED PRICE.

YOU GET GOOD LOCATION, SAVE MONEY & SAVE TIME

YOU ARE IMPORTANT TO US!
